

Sylvia Orozco-Do MD

Raised in Mexico she moved to the United States to attend college. She got her BSN in Nursing. After working as a nurse for 5 years she decided to continue her dream of becoming a doctor. She attended the University of Kansas School of Medicine. After Residency she became Assistant Professor of Medicine at KU SOM Wichita. She is currently in private practice as a Board-Certified Hospitalist, providing care for hospitalized patients.

Dr. Orozco-Do has been an advocate for Education. She has served on the Board of Wichita Collegiate, and is currently on the board of Wichita Community Foundation and Wichita Children's Home. She is happy to be part of KHEDF, because is what she is most happy doing, helping, and encouraging students to obtain their goal of Higher Education. "Helping establish the foundation for a stronger community and helping our students reach their full potential."
